CASTLE COMBE RACING CLUB

FORMULA FREE SINGLE SEATER SERIES

BACKGROUND

This series of races is intentionally designed to appeal to owners of cars which may no longer comply with other championship regulations.

Regulations are deliberately minimal.

Formula Free single seater series is the modern day equivalent of Formula Libre, meaning anything goes.

The series runs with 4 classes irrespective of the age of the car.

The intension of the series is to let owners enjoy their cars, it is not about intense competition or the chasing of points, it is all about enjoyment.

REGULATIONS

All competing cars must comply with general safety regulations as laid down in the MSA yearbook (the blue book) sections "J", "K", "Q"

All cars must comply with a static noise test level up to a maximum of 108dba.

Cars with forced induction the co-efficient will be 1.7:1.

CLASSES

- A. Over 2lt single seater cars which have aerodynamic aids & running on slick tyres.
- B. Under 2lt single seater cars which have aerodynamic aids & running on slick tyres.
- C. Over 2lt single seater cars with NO aerodynamic aids running on treaded tyres.
- D. Under 2lt single seater cars with NO aerodynamic aids running on treaded tyres.
